## PROJECT

*E-commerce Platform - A fully  
functional e-commerce website with  
product listings, and shopping cart.  
Personal Portfolio Website.*

## PORTFOLIO WEBSITE

[\*https://mayankgautam03.github.io/Portfolio/\*](https://mayankgautam03.github.io/Portfolio/)

## OBJECTIVE

*Certified frontend developer by Meta and Google in AR  
technologies, eager to apply skills in HTML, CSS,  
JavaScript, and modern frameworks to create engaging  
web applications.*

## WORK EXPERIENCE

### DELTA 360

**Front-End Developer intern** Jan2024- april 2024

*As a frontend developer, I develop responsive websites using  
HTML, CSS, and JavaScript, and build dynamic interfaces with  
React.js. I collaborate with UX/UI designers to bring designs to  
life and integrate RESTful APIs to fetch and display data.  
Additionally, I optimize website performance, ensure cross-  
browser compatibility,*

### Animal Feeders

**MEMBER OF REGISTERED NGO**

March 2022- present

*Organized feeding schedules, donation drives, and  
outreach events while collaborating with volunteers to  
achieve goals and solve animal care challenges.*

### UP RAJYA VIDYUT UTPADAN NIGAM LIMITED, ALIGARH

**Power Generation Engineer Trainee** June2019 - July 2019

*Understand the power generation process, safety protocols,  
and environmental compliance. Collaborate with engineers  
and technicians to achieve operational goals and ensure  
safety.*
